

# PERSON-CENTERED CARE FOR APHASIA RESEARCH STUDY

*Robert Theakston*

Approved 4/16/2024 1:23 pm

The UK College of Health Sciences is looking for participants in a research study concerning Speech Language Pathologist's use of person-centered care in persons with Aphasia. The purpose of this research study is to gather more information concerning if and how speech-language pathologists use person-centered care. The study requires participation in a survey lasting up to approximately 10 minutes.

## **YOU MAY BE ELIGIBLE TO PARTICIPATE IF YOU:**

- Are a licensed Speech-Language Pathologist
- CCC Certification
- Have experience working with patients with neurogenic communication disorders
- Provide services in the United States
